## NEWS OF WOMEN OF THE MOOSE

Representing Torrance Chapter, Women of the Moose, at Pilgrim Governor's class initiation at Los Angeles last Friday evening were Mesdames Auguste Barnett, senior regent; Pauline Barnett, chaplain; Vertie Grimm, junior, regent; Lela Heglin, sentinel; Opal Williams, Alumni committee chairman, and Beatrice Thompson. The class was a courtesy to Senator James J. Davis, founder and builder of Mooseheart, who conferred Fellowship and Academy of Friendship degrees at this conference.

A special executive board meeting and meeting of committee chairmen will be held today at the home of Mrs. Auguste Barnett. A pot luck lunch will be followed by a homemaker meeting in the afternoon. The regular chapter meeting will be held at the Social hall Friday evening. An exchange of mystery friend gifts will be held.

## BRITANNY KITCHEN LUNCHEON ENJOYED

Brittany Kitchen at Long Beach provided the setting for an enjoyable party when Mrs. R. J. Deininger entertained her bridge club at luncheon last Friday. Covers were placed for Mesdames C. T. Rippey, George Peckham, J. W. Post, Grover C. Whyte, J. S. Lancaster, C. C. Schultz and J. R. Klink. Following luncheon the ladies returned to the Deininger home for bridge. High score awards were received by Mesdames Peckham and Schultz.

## BETSY BOSS CLUB ELECTS OFFICERS

Retiring officers of Betsy Boss Star club were hostesses at the regular luncheon-meeting held at Masonic Temple yesterday afternoon. Officers elected to serve during the ensuing year are Mesdames Estelle Graham, president; Naomi Brown, first vice-president; Gwendolyn Knudson, second vice-president, and Frances Buckley, secretary-treasurer.

## Thanks Service at Christian Science Church Thursday

Thanksgiving Day services will be conducted Thursday, Nov. 21, at 10:30 a. m. in the First Church of Christ, Scientist, Torrance. The subject of the lesson-sermon is "Thanksgiving" and the Golden Text is from the Psalms: "Rejoice in the Lord, ye righteous; and give thanks at the remembrance of his holiness."

A Scriptural selection in the Lesson-Sermon includes these verses from Luke: "And one of the company said unto him, Master, speak to my brother, that he divide the inheritance with me. . . . And he said unto them, Take heed, and beware of covetousness; for a man's life consisteth not in the abundance of the things which he possesseth. . . . And he said unto his disciples, Therefore I say unto you, Take no thought for your life, what ye shall eat; neither for the body, what ye shall put on. The life is more than meat, and the body is more than raiment."

Paul's words to the Philippian are also presented: "Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, states: "Spirit duly feeds and clothes every object, as it appears in the line of spiritual creation, thus tenderly expressing the fatherhood and motherhood of God."

During the service opportunity will be afforded Christian Scientists in the congregation to give testimonies appropriate to the occasion.

## BRIDGE CLUB AT BEALE HOME

Mrs. M. J. Beale entertained members of her bridge club at her home on Acacia street last Friday afternoon. Autumn flowers created a colorful background for the party and accentuated the motif used for the tables. Guests were Mesdames Ralph Hatton of Los Angeles, Boyd Thompson, H. M. Haynes, S. R. Ludlow, C. B. Mitchell, George Morgan, John Hooper and J. B. Shaw. Mrs. Hooper received an award for high score at bridge and Mrs. Morgan was presented with a travelling prize while Mrs. Haynes received consolation award.

## At Last! Here's Good Use For Old Razor Blades!

Your old safety razor blades will make braces for crippled children. Bring them to the Torrance police station securely wrapped so they will not injure handlers and Police Chief John Stroh will send them to a Los Angeles man who will melt them in an electric furnace at his own expense.

## Helpful Hints On Carving A Turkey

At one p.m. on Thanksgiving Day all eyes at the table will be turned upward and focus on the man of the house. He is about to carve the turkey. To help out the amateur, who is apt to find himself on the spot and be given the "bird" by the family for his lack of skill, the November House Beautiful gives a few hints on the art of carving. Have the large platter at the edge of the table, placed so that the legs point to the carver's right. Be sure the knife is razor sharp. Lay several sections on supplementary platter, under side up so you can see where to sever it again between second joint and drumstick. If you slice this section do so toward the joint. 1. Sever the second joint. The trick is to find the joint and slide the knife cleanly through. 2. Lay several sections on supplementary platter, under side up so you can see where to sever it again between second joint and drumstick. If you slice this section do so toward the joint. 3. To remove the wing, run the knife diagonal to the carcass. This joint is closer to the body of the bird than the second joint and will be found by cutting in. 4. Yankee style of carving the white meat is to slice it from the outside in, in thin slices, beginning forward toward the front of the bird. 5. Southern or English style of carving is to cut the entire breast free from the carcass first, then slice off the white meat cutting perpendicular to the bone.

## Part of National Defense

In addition to the day-to-day needs for training in first aid and life saving, disaster relief and nursing, the American Red Cross has taken an important part in the national defense program. Increased responsibilities have resulted in a need for increased membership. Join today and help the Red Cross widen its service in a year when it is most needed. Cuba's population is 60 percent white and 40 percent Negro.

## Plenty of Turkeys for Holiday Season

SACRAMENTO—The state department of Agriculture came to the happy conclusion today that there will be plenty of turkey for Thanksgiving and Christmas dinners in California this season. On the basis of present production California leads all states in the number of turkeys raised this year, the department said. The state's crop was estimated at 3,543,000 turkeys, compared with 3,281,000 last year.

Second in line for the turkey producing crown is Texas, with only 7,000 birds under the estimated California total. Texas has been the leader for many years.

## TROLLEYS DISAPPEAR IN LONG BEACH AREA

Trolley cars have disappeared from Long Beach streets with the final run of the last car Nov. 11. Though the street car service terminated several months ago, a lone car has been dispatched over the system daily since buses began operating. The car carried a full load of customers on the last ride, it is said.

## 125 at Junior Chamber Affair

Having received its charter from State President Ed Comabatala, the Torrance Junior Chamber of Commerce became a full-fledged affiliate of the state and national organizations Saturday night at a gala dinner-dance program in the Civic Auditorium.

More than 125 attended the affair. The Torrance American Legion Auxiliary served the dinner and President John Elder presided. Speeches were held to a minimum and following the brief induction ceremonies, dancing was enjoyed to Gerald Quagrin's 12-piece orchestra.

In addition to the state leader, other distinguished guests were Henry Frost, Glendale, national director, and William McFadden, Redondo Beach, vice-president of the Eighth district of which the Torrance group is a member.

The Indian population of Arizona is 51,800, the 1940 census showed.
